### “Luxurious Posture” Body Design

The future style design is more harmonious and good-looking.

### Split LED Headlights

Trident daytime running lights + Starship headlights.

### Hidden Door Handle

The hidden door handle is integrated with the curved body, effectively reducing air resistance while showing the dynamic of the curved body.

### Airship-Shape Spoiler

The airship-shaped spoiler is more aerodynamic to improve driving stability and fashionable in aesthetics.

### 21-inch Sport Wheels

21-inch wheel with the new MC6 tire from Continental.

### Cozy Seats

The ergonomic leather seats perfectly fits the human body which provides all-around support.

### Space Battleship Gear Shifter

The space battleship electronic gear selector has a sci-fi style, so that each shift feels like an interstellar expedition.

### Floating Center Console

### Sporty Steering Wheel

Dual D-shaped sport steering wheel, four-way adjustment, perforated leather wrap, from every detail to create a pleasant driving experience.

### Flexible and Versatile Luggage Space

The rear seats can be almost fully flattened creating a superior large space. The trunk volume is 518L, and can be extended to 1412L when fold down the rear seats.

### Gravity Intelligence

### 360 ° HD Camera

### Sony Car Audio System

### Driver Seat Memory

### Triple HD Screen+Voice Control+Carplay

### BorgWarner 4WD+Aisin 8AT

### Blue Core 2.0T High-pressure GDI Engine

**Lane Assist System**  
LDW: Lane Departure Warning  
LCA: Lane Change Assist  
TJA: Traffic Jam Assist

### 气囊图片

### 6 Airbags

### AEB + FCW System

The forward warning auxiliary braking system can comprehensively analyze and detect the collision risk of the vehicle, issuing an early warning and assisting the driver to brake to prevent the rear-end collision accident.

### RCTA Rear Cross Traffic Alert

When reversing, if there are vehicles, motorcycles and other objects approaching at high speed behind the vehicle, RCTA system will warn the driver of dangerous situations and avoid accidents.

### SEW System Safe Exit Warning

SEW system provides a warning if a vehicle approaching from the rear side is detected as the occupant opens the door to exit the vehicle.
